Dear Monsieur Verschuren,

Many thanks for your letter of 6th December. I was glad to hear from you again after so long.

It is indeed disturbing news that most of the Belgian Wardens are about to leave Zaire. I knew nothing of this until you told me and can imagine the problems to which it will give rise.

I did a survey for the Sudan Game Department in Southern Darfur in the early part of this year and understand that I may be asked in due course to undertake some other project, possibly further South. So far however nothing further has come through. If and when it does I will contact you again.

Myles Turner joins me in sending his greetings and wishing you the compliments of the season. He left Tanzania Parks some weeks ago when a local officer took over from him and is now looking for another job in connection with conservation. He is far from ready to retire as yet!

Yours sincerely
